

J.P. Morgan Commercial Card

Log In Quick Reference Card

Welcome to Commercial Card Log In

The purpose of this quick reference card is to provide information about logging in to your J.P. Morgan Commercial Card account. Commercial Card registers your computer for increased security, so the logging in process may change whether you log in from a registered computer, a new computer, or when you log in for the first time.

You can quickly identify the method of logging in that matches your situation by looking in the “Quick Topics” section to the right. For more information about the Log In screen, see the information below.

The screenshot shows the J.P. Morgan Commercial Card Log In interface. It features a blue header with the J.P. Morgan logo and 'J.P. Morgan Commercial Card'. The main content area is divided into three columns. The left column, labeled 'A Log In', contains a 'Bookmark this page' link, a 'Remember my Organization ID' checkbox, and input fields for 'Organization ID', 'User ID', and 'Password'. Below these are links for 'Forgot your Password?' and 'Forgot your Organization ID or User ID?'. The middle column, labeled 'F Online Account Registration', has a checkbox for 'Create your J.P. Morgan Commercial Card Online Account'. The right column, labeled 'H Messages', shows a 'Welcome to J.P. Morgan Commercial Card' message. A 'Resources' section at the bottom middle contains links for 'First Time User Help', 'Log In Help', 'Training Center', and 'Customer Service'. The 'Log In' button is at the bottom of the Log In section.

The Log In screen is shown above. All images in this document are for illustration purposes only.

▶ Log In Requirements

Use the following information to log in to your account:

■ Organization ID

If you do not know your organization ID, see “Forgot Your Organization ID or User ID?” on page 6. Otherwise, contact your program administrator.

■ User ID

If you do not know your user ID, see “Forgot Your Organization ID or User ID?” on page 6. Otherwise, contact your program administrator.

■ Password

If you do not remember your password, see “Forgot Your Password?” on page 6.

■ Online Account Registration

If you were not provided with log in credentials but have received your J.P. Morgan Commercial Card, see “Registering for Online Account Access” on page 2.

Note: Your temporary password is only valid for a limited time. If your temporary password has expired, contact your program administrator.

▶ Logging In for the First Time

The first time you log in you will enter the organization ID, user ID, and temporary password sent to you through email or provided by your program administrator. If you were not sent this information but have received your J.P. Morgan Commercial Card, see “Registering for Online Account Access” on page 2.

Your initial temporary password is only valid for a limited time; by default, it expires after 90 days. If your initial temporary password has expired, contact your program administrator.

If you have questions about any screen, click the Help with this page link for instructions relevant to what you’re doing.

- Using your Internet browser, go to the following address:
www.paymentnet.jpmmorgan.com
- Complete the following fields:
 - Organization ID:** Enter your organization ID
 - User ID:** Enter your assigned user ID
 - Password:** Enter your case-sensitive temporary password
- Select the **Remember my Organization ID** checkbox. The site saves your organization ID so you do not have to enter it each time you log in.

Note: If you access the site from a public computer, J.P. Morgan discourages selecting this option.

- Click **Log In**. The First Time Log In Setup – Create Password screen displays.
- Complete the following fields:
 - New Password:** Enter a new password. Optionally, select the Show Password checkbox to view the password characters as you enter them.
 - Confirm New Password:** Confirm your new password

- Click **Next**. Your new password is saved and the First Time Log In Setup – Confirm Email screen displays.
- Verify that the address in the **Email Address** field is correct. If the email address is not correct, please update it now.
- Enter the same address in the **Confirm Email Address** field.
- Click **Next**. Your new password is saved and the First Time Log In Setup – Set Security Questions screen displays.
- Respond to all five questions that display. Responses must meet these requirements:
 - You can enter up to 30 characters, including spaces, for each response.
 - You can enter spaces; however, when you answer security questions in the future, remember to include spaces. Also, spaces may not be used as the first character in a response.
 - You can enter lowercase and uppercase letters; responses are not case sensitive.
- Click **Save**. The security questions and your responses display. Optionally, to edit your responses, click the **Edit** button.
- Click **Next**. The First Time Log In Setup – Register Computer screen displays. This screen confirms security requirements and computer registration.
- Click **Next**. The First Time Log In Setup – Setup Complete screen displays.
- Click **Get Started** to access your J.P. Morgan Commercial Card account.

▶ Registering for Online Account Access

If you have not created an online profile to access your J.P. Morgan Commercial Card account, or if your program administrator has not created one for you, you can create it now.

- Using your Internet browser, go to the following address:
www.paymentnet.jpmmorgan.com

- Click **Create your J.P. Morgan Commercial Card Online Account**. The Online Account Registration – Verify Identity screen displays.
- Complete the following fields:
 - J.P. Morgan Commercial Card Number
 - Last 4 Digits of Social Security Number or Social Insurance Number
- Select one of the following options and then enter the answer in the field that displays:
 - Mother's Maiden Name
 - Business Phone Number

- Click **Next**. Your identity is verified and the Online Account Registration – Create User ID screen displays.

- Enter a unique ID in the **New User ID** field. Your ID must meet the user ID requirements listed below, and is not case sensitive:
 - Must be alphanumeric; cannot contain special characters.
 - Must be 6-20 characters.
 - Your organization may have other user ID requirements. If you have questions, please contact your program administrator.

Note: Your user ID must be unique. If you enter a user ID that already exists, two available options may display. You may choose one of the options or create your own unique ID.

- Click **Next**. Your user ID is created, a temporary password is sent to your email address, and the Online Account Registration – Get Password screen displays.

Note: The email should arrive in a few minutes. If it does not, please contact J.P. Morgan Customer Service by calling the number on the back of your card.

- To complete your registration, click **Next**. The Online Account Registration – Registration Complete screen displays with your organization ID and user ID. This information is also sent to your email address.
- Click **Get Started**. The Log In screen displays with your organization ID and user ID already entered for you.
- Enter the temporary password that you received through email, click **Log In**, and complete the first time log in process. For instructions, see “Logging In for the First Time” on page 2.

Logging In with a Temporary Password

If you log in with a temporary password, you are directed through a quick process to create a new password before logging in.

Passwords must meet security requirements. The password requirements display on screen, so it's easy to verify your new password.

Note: If you do not change your password on the Change Password screen, you must request a new temporary password before you can log in.

 - To change your password later and continue to log in now:
 - Click **Remind Me Later**. The Welcome screen displays.

▶ Logging In from a Registered Computer

You can access PaymentNet from any computer registered to your user ID. The computer from which you log in is registered if it meets one of three different scenarios.

First, if you have used the same Internet browser on the computer to successfully log in to PaymentNet. Second, if you did not clear the option to have PaymentNet retain registration on your computer. Third, the cookies, cache, or temporary files have not been cleared since you last logged in.

1. Using your Internet browser, go to the following address:
www.paymentnet.jpmorgan.com

2. Complete the following fields:

- **Organization ID:** Enter your organization ID
- **User ID:** Enter your assigned user ID
- **Password:** Enter your case-sensitive password

3. Select the **Remember my Organization ID** checkbox. The site saves your organization ID so you do not have to enter it each time you log in.

Note: If you access the site from a public computer, J.P. Morgan discourages selecting this option.

4. Click **Log In**.

▶ Logging In from an Unregistered Computer

If you log in from an unregistered computer, you are directed through a quick process to verify your identity and given the option to register your computer to your user ID.

For security purposes, your user ID must be registered to each computer you use when logging in, or you must enter an access code. This helps prevent access by unauthorized users.

Other events may also require you to register your computer, including:

- Using a different Internet browser.
- Clearing the browser cookies, cache, or temporary files.
- Software or hardware profile changes.

Access codes are sent to the email address in your profile. If you have trouble getting an access code, contact J.P. Morgan customer service by calling the number on the back of your card.

1. Using your Internet browser, go to the following address:
www.paymentnet.jpmorgan.com

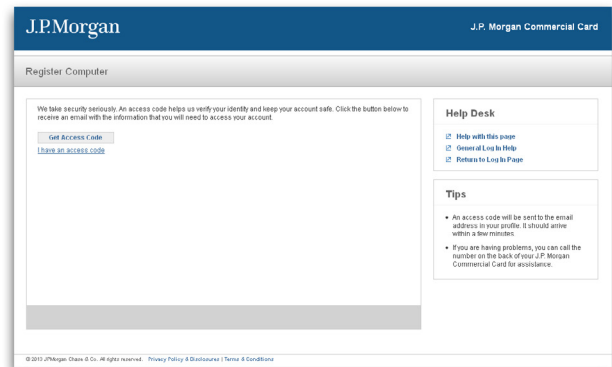

2. Complete the following fields:

- **Organization ID:** Enter your organization ID
- **User ID:** Enter your assigned user ID
- **Password:** Enter your case-sensitive password

3. Select the **Remember my Organization ID** checkbox. The site saves your organization ID so you do not have to enter it each time you log in.

Note: If you access the site from a public computer, J.P. Morgan discourages selecting this option.

4. Click **Log In**. The Register Computer – Get Access Code screen displays.
5. Click the **Get Access Code** button. If you already have an access code, click the **I have an access code** link.

6. Wait a few minutes and check the email address associated with your profile to get your access code. If you do not receive an access code, click the Get Another Access Code button or contact J.P. Morgan Customer Service by calling the number on the back of your card.
7. Complete the following fields:
 - **Access Code:** Enter the access code sent to you through email
 - **Password:** Enter your password

Note: The access code expires after five days. However, if you request additional access codes, only the most recently received code is valid.

8. Select one of these options:
 - **Register my computer:** Select this option if you are using a private computer
 - **Do not register this computer:** Select this option if you are using a public computer
9. Click **Next**. If you registered your computer, then a message verifies that your computer is registered to your user ID. If you did not register your computer, then a message verifies that future log in attempts from the same computer will require a new access code.
10. Click **Continue** to access your J.P. Morgan Commercial Card account.

- Optionally, if you have also forgotten your password, click **Get Temporary Password** to have a temporary password sent to the email address associated with your profile. For more information, see “Forgot Your Password?” on page 6.
- Click **OK**. The Log In screen displays.

Retrieving with Your Card Information

To retrieve your organization ID and user ID, you can enter your J.P. Morgan Commercial Card number and answer a verification question.

Three verification options display, including Mother's Maiden Name, Last 4 digits of Social Security Number or Social Insurance Number, and Business Phone Number. To determine the options used by your organization, contact your program administrator.

If you enter incorrect responses, your account access may be restricted after multiple access attempts.

When you answer a verification question, enter a response that matches the value for your card account.

1. Using your Internet browser, go to the following address:
www.paymentnet.jpmorgan.com
2. Click the **Forgot Your Organization ID or User ID** link.
3. Complete this field:
 - **J.P. Morgan Commercial Card Number:** Enter your 16-digit card number
4. Select one additional option to verify your identity.
5. Enter the response exactly as it is saved to your card account.

6. Click **Next**. Your organization ID and user ID display on screen. This information is also sent to the email address associated with your profile.
7. Optionally, if you have also forgotten your password, click **Get Temporary Password** to have a temporary password sent to the email address associated with your profile. For more information, see “Forgot Your Password?” on page 6.
8. Click **OK**. The Log In screen displays and automatically fills in the Organization ID and User ID field values.
9. Enter your current password and click **Log In** to access your J.P. Morgan Commercial Card account.
