TECH RESOURCES FOR ACADEMIC SUCCESS

Canvas
Access course content, assignments, announcements, grades, discussion boards and other integrated/external applications.
→ canvas.temple.edu

Zoom
Collaborate and meet with other students online through free web conferencing.
→ zoom.temple.edu

LinkedIn Learning
Access instructional videos and training on business, creativity and technology topics taught by industry experts.
→ linkedinlearning.temple.edu

TUportal
Access popular Temple resources and more by logging into the university’s official intranet, TUportal, at tuportal.temple.edu. Inside, you’ll find a hub for the tools, apps and communication you need to succeed, as well as convenient access to other important university systems directly on one site.

Use TUportal to access your class schedule and coursework, check your tuition balance, set up appointments with your advisor and much more.

You’ll also find the Next Steps channel, which provides personalized need-to-know updates when it’s time for you to complete important tasks, such as registering for classes, accepting your financial aid, paying bills and selecting your meal plan.

TUmail (Microsoft Outlook 365)
Stay in touch via email, keep organized with calendars and tasks.
→ its.temple.edu/email-account

Microsoft 365
Download Microsoft 365 for free on up to five Macs/PCs, plus five mobile devices and tablets. Use various online tools to meet and collaborate with your peers via Teams, maintain class notes with OneNote and store and share your files in OneDrive. You can also access the Microsoft 365 products online (Word, PowerPoint, Excel) to create, edit and collaborate on documents, organize tasks and much more.
→ its.temple.edu/microsoft365

Google Workspace (Google Apps)
Access Google online tools, such as Drive, Docs, Sheets and Slides. Work online or offline, anytime, and on any device to collaborate, be creative, think critically, and work one-on-one or with the whole class.
→ its.temple.edu/googleapps

Adobe Creative Cloud
Each semester, students can subscribe to and download Adobe Creative Cloud (including Photoshop, InDesign, After Effects, Acrobat Pro and more) at no charge for coursework.
→ its.temple.edu/adobe

Sites.temple.edu
Provides a simple solution for building and hosting personal websites using the Wordpress platform.
→ sites.temple.edu

TUmobile
Browse your class schedule, grades, campus maps and much more on your smartphone.
→ its.temple.edu/tumobile

Cherry and White Directory
Find contact information for students, faculty and staff and personalize your @temple.edu email address by creating an alias.
→ directory.temple.edu

OWLab
Remotely access many Windows specialized software programs needed for coursework from off campus.
→ its.temple.edu/owlab

Tech Bits
Receive announcements about new resources, technology tips and much more through Tech Bits, an email sent to the university community.
→ its.temple.edu/tech-bits

** Figures are approximate and dependent on annual school and college software requests.

Other Computer Labs
In addition to the TECH Center, Temple offers school and college computer labs on Main Campus, as well as at Temple’s other campuses, such as the Health Sciences Center TECH Center and the Ambler Campus Technology Center. Most labs feature workstations with general and specialized software, and printing for lab workstations, laptops and other wireless devices. For a list of computer labs, visit: its.temple.edu/computerlabs

Battery Share
Borrow a power bank from one of our automated kiosks for up to five hours to charge your laptop or mobile tech devices when studying at the library, TECH Center or Center City campus.
- its.temple.edu/batteryshare

Laptop Share
Borrow a laptop for up to four hours from one of our automated kiosks, located around Main Campus. Take it to class, study with it in the library or use it wherever you want. Then return it to the kiosk most convenient to your location.
- its.temple.edu/laptopshare

Print on the Go
Use your print quota—submit and pick up requests at any Print on the Go station from your laptop or mobile device.
- its.temple.edu/printgo

Adaptive Technologies
Accessibility tools, available on over 1,200 campus computers, providing adaptive technologies to students with disabilities.
- its.temple.edu/computer-lab-accessibility-tools

Classroom Technology & Tools
- Over 500 smart classrooms feature computers, built-in multimedia, internet and wireless access.
- Instructors can record and share class lectures online using lecture capture programs.
- Wireless projection (Kramer/Apple TV) is available in Wachman Hall and the Science Education and Research Center (SERC), as well as other expanding locations.

* Quantified data such as count of computers, count of breakout rooms, etc., was verified by ITS staff.
**TECHNICAL SUPPORT**

**Help Desk**
The Help Desk provides a wide range of technology, application and university support. Help Desk staff is available every day throughout the year, except holidays. Details and hours of operation are available at:
- its.temple.edu/techsupport
- Location: The TECH Center (Room 106)
- Online: Submit requests for help or chat online at tuhelp.temple.edu
- Email: help@temple.edu
- Call: 215-204-8000

**GET CONNECTED**

**Wireless Internet**
Access wireless internet in all university buildings, including residence halls, and some key outdoor locations on campus.
- its.temple.edu/connect

**Multi-Factor Authentication**
Protect your personal information and use an extra level of security when visiting Temple websites by enabling Multi-Factor Authentication and downloading the Duo Mobile app to your smartphone.
- its.temple.edu/mfa

**OWLcard/Diamond Dollars**
Add funds to your physical Temple OWLcard, or OWLcard Mobile, to make purchases on campus. With OWLcard Mobile you can make purchases on campus, swipe into your residence hall, and access campus recreation facilities, all via your phone.
- finance.temple.edu/owlcard

**COMPUTER SHOPPING**

**Shopper’s Guide**
View recommended/required computer specifications and take advantage of education discounts on computer equipment and software.
- its.temple.edu/shoppersguide

**OWLtech Store**
Shop for a computer and tech gear at the OWLtech store, conveniently located on Main Campus in Pearson Hall. The OWLtech store also offers repairs, rental/loaner devices and device trade-ins. To learn more, visit:
- shopowlttech.com

**Computer Recycling Center**
Shop online for recycled/refurbished computers, monitors, printers, and many other electronic devices at below market price.
- crc.temple.edu
